Certificates of election were issued to the thirteen Democratic Presidential electors Tuesday by the State Election Commission after the returns of Elliott county reached the office of Secretary of State Fred A. Vaughn. Without the Elliott county returns William J. DeBoe, Republican Presidential elector was leading Guy Patterson, Democratic Presidential elector, by more than 300 votes. The Elliott county returns gave Patterson a majority of 561 over DeBoe.

**BLUE GRASS GASOLINE**

Meets the test and becomes more popular as cold weather arrives, because it starts quicker and gives more general satisfactory results at a time and under conditions when a good gasoline is appreciated.

We are thoroughly convinced of the superior quality of Blue Grass Gasoline and are anxious for our friends to make a trial comparison with it and any other gasoline they may be using, feeling confident that they will become a regular user of Blue Grass Gasoline—because it starts quicker, gives more power and mileage and better general satisfactory results.

**EDITORIAL FLINGS OF THIS****THAT 'EN TOTHER**

If these new paper suits become popular, the good old-fashioned custom of scratching matches on the seat of the trousers will have to be abandoned.

A Kentucky wife-beater has taken to the tall timber to escape facing a jury composed entirely of women. This problem of making the world safe for men is getting mighty close to the crisis stage.

Paris grocers report an increased demand for coffee. We suppose the prospect of having to do without the accustomed home-brew has driven many of the old-timers to resort to coffee.

Of course, if the new conditions are disquieting to the Kentucky farmers who raise that wonderful corn in the Bluegrass region, we can tell them that there need be no reduction of the acreage. Eat more roasting ears and have a corn bread revival!

A certain Paris girl told her steady company she regarded Tuesday as an unlucky day for marriage. The poor simp didn't take the hint and reply that almost any old day was unlucky for that. Consequently she hooked him and the wedding will be announced soon.

Saw two fine-looking Paris girls the other day wearing spider-web stockings and low neck waists, going into a local drug store. From there they went to an undertaker's office. They were probably waiting for the young lady who wears short skirts and low cut shoes. The undertaker eventually gets the whole bunch. But fashion rules the feminine world, and what is the world and public opinion when fashion drives?

Every forty-five minutes throughout the year a person is killed somewhere in the United States by an automobile. Every seven minutes some person is injured by an automobile. This appalling accident toll is caused by reckless driving and carelessness on the part of pedestrians. Help reduce it from now on by being careful—not occasionally—but all the time.

**PAY AND SAVE INTEREST**

Payment on the new streets on Pleasant street is now due from property owners abutting thereon, and should be settled promptly to avoid accumulating interest.

**TURKEYS FOR ORPHANS**

Bourbon Lodge I. O. O. F., of Paris, sent three turkeys, one weighing thirty pounds, to the I. O. O. F. Home, at Lexington. The birds formed part of the big dinner served yesterday to the children of the Home. The turkeys were forwarded to the Home by Mayor E. B. January, in behalf of the local lodge.
